NOTES:

The design on this drawing is copyright and remains the intellectual property of the Consultants.

All relevant details, levels and dimensions are to be checked on site prior to works commencing. Any discrepancies must be reported immediately to the Consultants.

Use figured dimensions only - do not scale off the drawing.

Way-leave applications for implementation remain the duty and responsibility of the Contractor. Under NO circumstances may any excavation, construction or installation work commence until all official way-leaves and permissions are established and granted by the relevant authorities. Excavations within the vicinity of known underground services are to be undertaken by hand and with extreme caution.

Absolutely NO deviations from the design details and specifications are permissible without the written endorsement of the Consultants.
