NO.	REQUESTS FOR CLARIFICATION	TCTA RESPONSES
1	<p>The bidder possesses a strong financial foundation, a fact that will be corroborated in the audit financial statements we are set to provide and has already received widespread recognition from major financial institutions globally.</p> <p>In line with the Employer's requirements, we will furnish a performance guarantee and a retention guarantee, each amounting to 10% of the contract value, during the project execution phase to ensure the successful completion and quality assurance of the project. These measures will undoubtedly minimize the Employer's risk to a great extent and enforce the contractor's responsibility.</p> <p>Therefore, we respectfully request the Employer to consider treating the parent company guarantee as a non-mandatory submission document.</p>	<p>The submission requirement for the parent company guarantee (PCG) will be changed to non-mandatory. However, in terms of Volume 1 Tendering Procedure, TCTA will call upon the bidder as may be applicable to submit the PCG within a specified reasonable time after the closing date and time of this RFB. Refer to addendum #7.</p>
