As per attendance register kept in the tender file.

1. ADMINISTRATION

1.1 OPENING AND WELCOME

GM welcomed all present and declared the meeting opened at 9:00 AM.

1.2 ENROLMENT OF NAMES IN THE ATTENDANCE REGISTER

The attendance register was circulated to all in attendance.

1.3 RULES FOR THE SITE REVISIT

MP & DE further laydown the rules as follows:

- Drowns are allowed but in parameter of the river abstraction weir and not to the properties of neighbouring farms.
- Vehicle convoy and the order for accessing site to be visited-TCTA to lead access.
- Crops are should not be interfered with and nothing should be removed.
- Bidders are not allowed to visit the site without permission of TCTA.

1.4 OVERVIEW OF THE SITE LOCATION TO BE VISITED.

MM, FD, MMO & DN gave an overview of the locations to be re-visited and advise bidders to formally enrol questions in respect of this site re-visit (if any) on tenders01@tcta.co.za. Additionally, that TCTA will present the relevant tender drawings to assist Bidder's understanding of the abstraction weir site location.

2 ABSTRACTION WEIR LOCATION (Right bank)

TCTA took bidders to the abstraction weir location on the right bank, facing downstream.

The right bank viewpoint of the abstraction work was a the following WGS84 coordinates:

Latitude: 24°37'59.18"S
Longitude: 27°18'59.57"E

The following tender drawings were presented:

- 2.1 2B-C3-001 Abstraction Works Site Layout
- 2.2 2B-C3-004 Abstraction Works Proposed River Diversion
- 2.3 2B-C7-400 Abstraction Works Diversion Weir Plan Layout
- 2.4 2B-C7-500 Abstraction Works Earthworks and Ground Improvement
- 2.5 2B-C7-505 Abstraction Works Earthworks and Ground Improvement Sheet 4
- 2.6 2B-C7-506 Abstraction Works Earthworks and Ground Improvement Sheet 5

3 Abstraction Works Diversion Weir (Left bank)

Bidders were taken to the location of the mass concrete retaining wall located on the left bank of the Abstraction Works Diversion Weir.

The left bank viewpoint was a the following WGS84 coordinates:

Latitude: 24°38'4.24"S
Longitude: 27°18'53.03"E

Bidders were pointed to the following points:

- 3.1 Access to the left bank of the weir construction site.
- 3.2 Limitation of the access road and traffic control measures will need to be implemented.
- 3.3 The position of the concrete retaining wall with reference to the access road.

4. CLOSURE

MM & GM closed the site re-visit meeting at approximately 12:00 PM
