MULTIDISCIPLINE WORKS, ANCILLARY WORKS***

Dear Bidder,

TCTA acknowledges receipt of the requests for clarification listed in the attached table. The response to each request for clarification is provided in the attached table.

Yours faithfully

Azwi Nelwamondo
Senior Manager: Procurement

NO.	REQUESTS FOR CLARIFICATION	TCTA RESPONSES
1	<p>T2.2.2 Technical Schedules P2V2N</p> <p>As per the clarification in Notice No.17, A package type Water Treatment Plant will be provided at the High lift Pumping Station as part of the Ancillary Infrastructure scope of works covered under the Provisional Sums. The detailed requirement will be provided to the Contractor during construction.</p> <p>But we found there are 2 forms in T2.2.2 Technical Schedules P2V2N need to be filled in: W.2.4.6 Water Filtering Plant (WFP) \ W.2.5.6 Water Filtering Plant (WFP). Please clarify if these 2 forms will be non-mandatory submissions?</p>	<p>In the introduction of the technical schedules, the following is provided:</p> <p>‘The Tenderer is required to submit with his Tender by way of the Schedules in Part T2.2.2, technical information and details relating to the mechanical, electrical and electronic Plant as listed therein’.</p> <p>These forms are non-mandatory; however, this information will be used in the contract, technical evaluation and to ascertain the competence of Tenderer and its specialist suppliers and/or subcontractors. That being non-mandatory does not mean you will be given an opportunity to submit after closing date and time as such are also required for technical (functional) evaluation. Failure to submit these forms, bidders will be scored Zero (0) points where the information is required for functional evaluation purposes.</p>
