NO.	REQUESTS FOR CLARIFICATION	TCTA RESPONSES
1	I would like to kindly ask you for the contact details of the locals that are situated by the pipeline who could be contracted to work on the project. Alternatively, could I speak to TCTA official/s about the topic of locals working on the pipeline?	Due to Protection of Personal Information Act restriction, such contact details cannot be shared. Even as an alternative you may not speak to TCTA official/s as that will result an unequal/unfair communication to other prospective bidders. The RFB has shared enough information for all prospective bidders to give competitive and responsive bids including the baseline study of the project area. It is incumbent upon the prospective bidders to source the relevant enterprises that comply with the bid's requirements.
