Mr DKP Sechemane [Chief Executive Officer], Adv W De Witt [Company Secretary]

NO.	REQUESTS FOR CLARIFICATION	TCTA RESPONSES
1	Please confirm whether Annexure K must be completed and submitted with the tender, or only after the tender has been awarded. This is because we cannot employ people before the tender has been awarded.	Annexure K: Proposed Candidate for Skills Development and Training Local to Site must be completed and submitted with the tender. At this stage, the bidders are sharing the proposed candidate, and this does not mean they are employed.
2	(a) The price schedule reflects an amount of R500 000.00. Could you please confirm whether this is the maximum amount, i.e. a ceiling that the tendered price may not exceed? (b) Please also clarify what is required for the staff list number on the price schedule.	Item 4.8.1 Provisional sum shall be expended only on the instruction or with the prior written approval of TCTA, as Additional Services or Exceptional Services. Bidders **are not allowed to change this amount**. Expense thereon will be authorised by TCTA for any additional work/scope that may be required by TCTA. Schedule 1, of Annexure I, refers to the number of personnel to be deployed for the line items.
3	The tender states a contract period of 63 months, while the price schedule refers to 36 months of meetings. Could you please confirm whether the 36 months of meetings relates to the duration of the construction work?	The contract duration is 63 Months. **The 36 months are primarily provisioned for construction activities**. There is a provision for additional 18 months for rehabilitation monitoring (6 months) and defects notification period (12 months). There's 1 month allocated for mobilization (Task 1) and 8 months of no activity which the bidders need to provision for in their project schedule. The **meeting should only be provisioned for 36 months as per the pricing schedule**.
4	Can you please advise if the qualifications of the Service Providers need to be certified.	The RFB requires copies of qualifications to be valid and maybe certified. It must be noted that TCTA reserves the right to verify the copies of qualifications.
